Deacon José Zamora, Pastoral Leader

Matthew writes that when Peter, James, and John see Jesus transfigured and hear the voice of God they are “very much afraid”. Jesus immediately goes to them and calms them, saying “Do not be afraid”, recalling the words an angel says whenever appearing to someone in the Bible. Seeing their Lord in his dazzling glory and hearing God’s voice unnerves them, just as people visited by spiritual beings are unnerved. To reassure and refocus the disciples, Jesus at once sets their minds at ease.

What should their focus be at this point of Jesus’ mission? Just before their journey up this mountain, Jesus had told them for the first time that he would suffer at the hands of the authorities, be killed, and then be raised on the third day. He had gone on to tell them that his disciples must deny themselves, take up their crosses, and follow him. They will be repaid for their conduct when “the Son of Man will come with his angels in his Father’s glory”. Now they have just seen a foretaste of that glory. In case they don’t put two and two together, God explicitly commands them to listen to Jesus. He told you that he would be put to death. Listen to him. He told you that you must carry your crosses. Listen to him. He promised you that he will be raised and come again in glory to repay you. Listen to him.

Our world has always been in need of transformation, and these days that need seems especially great. Jesus gives us the first step. We need to deny our own priorities, our own desires, our own self-interests, and take up the challenge to uncover and reveal the kingdom that God is building in our midst. Let us be, as Peter says, “a lamp shining in a dark place,” shining the light of God into the darknesses in need of transfiguration. Which self-interest of mine will I promise to put aside and what cross will I pledge to carry, transfiguring my life and my little part of the world?

LUMINARIA

Luminarias honor every life touched by cancer. You can dedicate them to a loved one lost, someone currently battling, or anyone who's overcome it. When you attend a Relay event, you'll see the Luminarias decorated with names and sometimes messages to the people they're dedicated to.

After dark, Relay participants share an emotional moment when each Luminaria is lit in remembrance of a life touched by cancer. Together, we take a moment of silence to remember the loved ones they're dedicated to. When you make a donation for a Luminaria it helps fund the American Cancer Society's mission to help save lives.

LUMINARIA STARTS AT 8:30PM

SUBJECT TO CHANGE

Protect Women Ohio

This November, the state of Ohio will vote on the **extreme** and **dangerous** abortion initiative the state has ever seen. Planned Parenthood and the ACLU have initiated an amendment to change the Ohio Constitution that would legalize painful, late term abortions up to the point of birth, paid for with our tax-payer dollars. The proposed amendment would also eliminate parental rights if a minor were seeking an abortion or even a sex-change operation. Do

not sign a petition to legalize painful, late term abortions and join the fight to ultimately defeat this amendment at: www.protectwomenohio.com or www.ohiolife.org.

2023 Annual Catholic Appeal...

St. Mary 2023 goal for the Annual Catholic Appeal is \$10,231.00. Through our contributions, we can assure the continued existence of many important programs that help tens of thousands in our diocese each year, including supporting the education of our seminarians, deacons, caring for the sick and needy, and providing faith formation for our youth. All donations, large or small, are greatly appreciated. Many thanks to the 58 households who have already donated or pledged \$8,679.50 to the ACA (86% of our goal). Thank you., Deacon Jose.

Around the Diocese...

VOTE YES on ISSUE 1 ON AUGUST 8TH

Issue 1 Helps Protect 30,000 children every year.

Abortion advocates are trying to put painful, late-term abortion up to birth, without parental consent, in our Ohio Constitution. Issue 1 makes it more difficult for this dangerous and deadly proposal to be inserted into our Constitution by:

- Requiring 60% of voters to approve changes to the state constitution.
- Ensuring that all 88 counties have representation in the constitutional amendment process instead of the current 44.
- Ensuring that signatures to change the constitution are submitted on and not after the deadline.

If Issue 1 fails, it is likely that 30,000 Ohio children will lose their lives at the hands of the abortion industry in Ohio every year.

Issue 1 is crucial in protecting the children whose lives are at risk. **Issue 1** will help protect 30,000 children each year if it passes.
